RESOLUTION NO. 2006-11

RESOLUTION APPROVING \$8 MILLION FOR ADDITIONAL CONSTRUCTION COSTS ASSOCIATED WITH THE WIDENED CLARK STREET BRIDGE OPENING AT I-10, PLUS AN APPROXIMATE \$1 MILLION FOR ENGINEERING REDESIGN.

WHEREAS, the City of Tucson and Pima County have been working with the Arizona Department of Transportation (ADOT) on ways to improve the east-west connectivity in the downtown area by widening the openings in Interstate 10 that will be reconstructed as part of ADOT's I-10 Mainline widening project; and

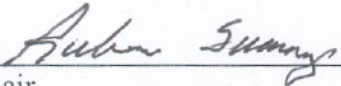

WHEREAS, ADOT has agreed to widen the Clark Street underpass from 120 feet to 225 feet, provided that the City of Tucson fund increased construction costs and one-half of the redesign costs; and

WHEREAS, this Clark Street project is consistent with the overall mission of the Rio Nuevo Master Plan, augments goals for neighborhood revitalization, and staff therefore recommends approval; now, therefore, be it

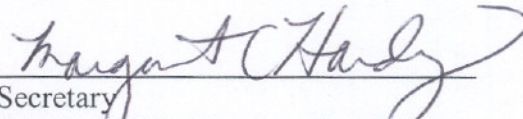

RESOLVED that the Rio Nuevo Multipurpose Facilities District Board approves the allocation of \$8 Million for the additional constructions costs of the widened bridge opening at Clark Street, plus an approximate \$1 million for ADOT engineering redesign.
